

HUDSON-SHARP

A Thiele Technologies Company

Pioneers in Bag Converting Technology Hygiene Bag Solutions

Hygiene Bag Solutions

Internationally renowned as a pioneer in Wicket bag machine Technology, Hudson-Sharp sets the standard in the Hygiene packaging segment and offers a full range of solutions for various popular hygiene bag styles: Baby Diaper bags, bags for Adult Incontinence Care, FemCare bags for sanitary napkins and Toilet Paper/Kitchen Roll Bags.

With more than 6000 machines successfully installed worldwide, Hudson-Sharp's machinery features focus on higher quality and productivity through:

- *Process control technology*
- *End of line automation (Robotic Packing)*
- *Optimized energy consumption while using sustainable materials*

These values have been at the core of the business since 1870.

By being proactively involved in customers' projects at a very early stage, Hudson-Sharp induces new trends and helps customers develop and execute their ideas and projects in a dynamic and competitive marketplace.

Hudson-Sharp is your technology leader, reliable and financially sound partner for all your hygiene plastic bag converting needs.
